

	<h2>W 12th Street Reconstruction</h2> <p>Beginning August 11, 2020</p> <p>For updates visit: www.cedarfalls.com/notify</p>	<h3>Legend</h3> <table><tr><td></td><td>Stage 2</td></tr></table>		Stage 2
	Stage 2			

All,

Beginning **Tuesday, August 11, 2020** the contractor will begin Stage 2 reconstruction of W 12th Street and Walnut Street by closing Walnut Street from 11th Street to 12th Street and by also closing Walnut Street south of the 12th & Walnut intersection. In order for the contractor to begin pavement removal, a full road closure will be required. The road closure will be in effect for **eight (8) to ten (10) weeks**, depending on the weather. Above is a map with the closure area highlighted.

For safety's sake, please stay away from the construction area. Heavy equipment will be moving back and forth on the closed street. It would be advisable to stay behind the sidewalk on the property side during the reconstruction work.

During the closure, alternate garbage pickup points will be required for residents who normally place automated collection carts within the closure area of Walnut Street. Residents can place their collection carts on the open portion of Walnut Street, 11th Street, or 12th Street during this stage of the project closure. This should be done on the normal collection day for that particular street.

Yard waste collection carts can be placed curbside at the same location as the garbage collection carts for Monday pickup. Yard waste may also be taken to the transfer station in any type of container when the transfer station is open.

Mail delivery will not be impacted and will continue as normal.

If you want to receive road closure notices by e-mail, visit www.cedarfalls.com/notifyme and follow the instructions for road construction as shown.

If you have any questions or concerns during the course of construction you may contact me by phone, fax or e-mail as listed below.

Sincerely,

A handwritten signature in black ink that reads "Brett Armstrong". The signature is written in a cursive style with a large, sweeping flourish at the end.
