

Sidewalk Closure Notice-North side of East 2nd St.

All,

Beginning Wednesday, May 6th, K. Cunningham Construction will begin working on the sidewalk on the north side of East 2nd Street. To complete this work, the sidewalk will be closed for two (2) to three (3) weeks. This construction will include the removal and replacement of the sidewalk with continued brick pavers from Main Street to the new MU2 building. Attached is a map of the planned closure areas.

For safety's sake, please observe road and sidewalk closure signage and refrain from entering the construction areas. Heavy equipment will be moving back and forth in multiple areas.

If you want to receive road closure notices by e-mail, visit www.cedarfalls.com/notify and follow the instructions for road construction as shown. If you have any questions or concerns during the course of construction, you may contact the Engineering Division at (319) 268-5165.

Sincerely,
Benjamin Claypool, Civil Engineer II, PhD, EI
