COMMERCIAL FIRE INSPECTION FEE SCHEDULE

The purpose of this ordinance is to provide minimum standards to safeguard life, health, property and public welfare by regulating and controlling the design, construction, quality of materials, use and occupancy, location and maintenance of all nonresidential businesses, buildings and structures within this jurisdiction and certain equipment specifically regulated by the adopted Fire Code of the City of Cedar Falls.

New Construction applications for permit shall comply with the adopted Codes of the City of Cedar Falls.

ANNUAL LIFE SAFETY PERMITS, LICENSES, AND CERTIFICATIONS FEES

The following fees shall be established for the permits, licenses, certificate's, approvals, life safety inspections and other functions performed under this Code and shall be payable by the Non-residential businesses to the City of Cedar Falls. Such fees shall accompany each application for such permit, approval, certificate, or other fee-related Code provisions.

(1) Non-residential businesses annual fee schedule for life safety inspection.

The inspections, thus the fee schedule shall be based on occupancy, or individual business. Therefore, if there are more than one occupancy or businesses in a single building, each business, and the business owner/occupant thereof, will be responsible for the inspection and the fee. The actual payment of the fee between the occupant and the landlord is between those parties and the lease agreement; the City will not be involved in such agreements. If there is a common area, the inspection and fee for this common area will be the responsibility of the building/property owner.

--	--	--	--

SQUARE FOOT	Fee
1 - 2,000	\$40
2,001 - 10,000	\$70
10,001 - 20,000	\$100
20,001 - 50,000	\$195
50,001 - 100,000	\$225
over 100,000	\$300

Any building that is fully sprinkled will receive a credit of 50%, of the square footage relative hazard class fee. (This is to show the importance of sprinklers relative to life safety and the type of building construction.)

REINSPECTION FEES:

At the time of the initial inspection, the occupant and/or owner will receive a copy of the life safety inspection indicating which violations need to be corrected. Along with this will be a standard letter listing the date of reinspection as well as the schedule of fees, as listed in the fee schedule. Fees will be assessed if they do not comply at the time of the first, second, or third reinspection date. If the Fire Department is notified in writing, (by mail or hand delivered) in a timely manner, and repairs are scheduled, a reinspection date may be rescheduled to allow more time to complete repairs. Non-profit entities or governmental agencies are not exempt from the reinspection fees as listed in the fee schedule.

REINSPECTION FEES DO NOT APPLY IF VIOLATIONS ARE CORRECTED PRIOR TO THE SCHEDULED REINSPECTION DATE. IF DURING A REINSPECTION VIOLATIONS ARE STILL PRESENT, A REINSPECTION FEE WILL APPLY AS PER THIS FEE SCHEDULE. (First - \$100, Second - \$150, Third - \$200, Each after Third - \$200)

FIRE RESPONSE INSURANCE RECOVERY FEE:

SCHEDULE OF FEES	ADOPTED RATE	PROPOSED RATE
<p>Whereas a property owner’s insurance policy provides for a fire department response fee, a fee of \$500 shall apply to the owner of a residential property and a fee of \$1000 shall apply to the owner of a commercial property in which the fire department responds to suppress a building fire.</p>		
<p>The fire chief has the authority to waive or negotiate a more appropriate service fee based on hardship, established self-insurance plans and larger deductibles.</p>
