

**REGISTRY OF PERSONS REQUESTING PRENOTIFICATION  
OF PESTICIDE APPLICATIONS**

I request prenotification of pesticide applications made by or for the City of Cedar Falls to property located adjacent to my residence. I understand that this registry will also be made available to private applicators who request to use it for prenotification purposes.

Address:

---

Name:

Date:

---

Telephone # (Daytime):

---

The following general description portion should be completed only if your residence is located adjacent to a City-owned park, public property or golf course:

General Description of City-owned Property:

---

---

The City of Cedar Falls, or its agents, will appropriately notify individuals who complete this form. Said notification will be in compliance with Chapter 21-45.50, Notification requirements for urban pesticide applications, of the Iowa Administrative Code.

Completion of this form will maintain your name on the City of Cedar Falls' Pesticide Prenotification Registry through the end of the calendar year for which it is submitted. If you desire to be included on the listing for the next calendar year, you will need to complete a new form after January 1.

This registry will also be made available upon request to commercial and other public pesticide applicators. If you desire prenotification regarding pesticide applications adjacent to your property, but not being made by or for the City of Cedar Falls, you may complete this form and be included on the City's registry. Thus, your name, address and telephone number will also be provided to commercial and other public pesticide applicators who request the City's registry.

It should be noted that the City of Cedar Falls is only responsible for ensuring prenotification of pesticide applications made by or for the City of Cedar Falls. Therefore, you may wish to consider making individual prenotification requests to the various commercial and other public pesticide applicators within the community.

Upon completion of this form, please return to:

Pesticide Notification  
City of Cedar Falls  
220 Clay Street  
Cedar Falls, Iowa 50613

If you have any questions regarding this form, please contact our office at 319-273-8600.
